Done-in-a-Day Project Application

2024-2025

JUNIOR LEAGUE GRAND STRAND

The Junior League of the Grand Strand is an organization of women whose mission is to advance women's leadership for meaningful community impact through volunteer action, collaboration, and training.

With our focus on women and children, our four pillars address areas of the greatest need for families within the Grand Strand.: Youth Advocacy, Health Initiatives, Food and Nutrition Security, and Housing Advocacy.

Done-in-a-Day Project Application

In addition to Community Partnerships, the Junior League of the Grand Strand (JLGS) offers “Done-in-a-Day” partnerships. These partnerships support local non-profit organizations by providing volunteers on a short-term basis for a one-time project or event. Done-in-a-Day affords Junior League of the Grand Strand members the opportunity to use their diverse talents to help elevate women and families in the Grand Strand through coordinated, direct-impact projects.

Done-in-a-Day Project Proposals should be for volunteer-only projects that do not require funding by JLGS. (If funding needs to be requested, please fill out the “Community Partner Project Proposal” form instead.). Done-in-a-Day Projects should require 5 to 20 volunteers over the course of a 2 to 8 hour timespan.

A representative from your organization must be present for all projects at all times, specifically, but not limited to, including projects involving children. Organizations may submit multiple applications.

If specific dates for a project(s) are unknown, please provide a general time frame for the project (i.e. month, Spring 2024, etc.).

Note: Special considerations will be given for projects arising during the League Year (August 2024-May 2025), as long as 90 days notice is given. This is a rolling application for providing volunteer hours.

Disclaimer:

The League does not act as a direct fund-raiser or fund-raising agent for other organizations. When The League is the co-sponsor of an event or special community need exists, the Board of Directors may recommend to the membership to temporary waiver of this policy. Waiver shall not occur unless 2/3 of the members present and voting at the meeting where waiver is proposed vote in favor of participation. Please note that while we endeavor to adhere to all planned timelines and commitments, unforeseen circumstances may necessitate delays or adjustments. We appreciate your understanding and flexibility in these situations.
